

**Announcement**

**on the amendment of the Specific Business Regulations Pertaining to the CIB Internet-Based Electronic Services for Consumers and Sole Traders**

**with effect from 21 November 2018**

**CIB Bank Zrt. (1027 Budapest, Medve u. 4-14.; company reg. no.: 01-10-041004) (hereinafter: Bank) hereby informs its Clients that with effect from 21 November 2018, that O-Key token identification has been replaced with WithKEY token identification and the following sections of the Bank's Specific Business Regulations Pertaining to the CIB Internet-based Electronic Services for Consumers and Sole Traders are amended as follows.**

**18.7. Data processing**

The Bank shall prevent or attempt to prevent, with a level of care that may be expected from it, any unauthorised access to data, especially when they are transferred through the telephone network.

18.8.4. The Client is responsible for keeping the IT data carrier safe, treating the user ID(s), password(s) and the Codeword confidential, and preventing unauthorised access to the system by applying a level of care that may be expected of it.
