If the agreement is concluded before the 15th (fifteenth) day of the given month, the monthly account management fee applicable to the selected, new account management service will be charged with respect to the entire month. If the contract is concluded after the 15th (fifteenth) day of the given month, the monthly account management fee as per the bank account agreement that is valid until the 15th day of the given month will be charged for the entire month. With respect to the settlement of transaction commissions, until the day of signature of the new account management agreement, the commissions of the account management service that is valid until then will be charged, while in the case of transactions executed from the day following the signing of the new account management agreement, the commissions of the new account management service will be charged. HUF	BUBOR (1 month) + 5.00%
EUR	EURIBOR (1 month) + 7.90%
CHF	LIBOR (1 month) + 8.20%
USD	LIBOR (1 month) + 8.70%

- ♦ The review of the CIB Prime Rate takes place on the first working day of each calendar month on the basis of the mathematical average of the BUBOR/EURIBOR/LIBOR data of the previous calendar month. An immediate review takes place based on the latest BUBOR/EURIBOR/LIBOR values if the change, of any direction, of the latest EURIBOR/LIBOR exceeds 25 basis points relative to the average EURIBOR/LIBOR applied at the time of the last review, or if this same change exceeds 50 basis points in the case of BUBOR. In all cases the Bank rounds the calculated CIB Prime Rate values up or down to the first decimal place.
