CIB Bank is a member of the National Deposit Insurance Fund (NDIF), so its deposits are insured under the Act CCXXXVII of 2013 on Credit Institutions and Financial Enterprises.

Termination of the bank account: In the event of termination of the Bank Account Agreement, the cash withdrawal, bank-to-bank transfer, intrabank transfer or book transfer between the Client's own accounts of an amount less than HUF 1,200 – or the equivalent in foreign currency determined based on the valid mid-rate quoted by the Bank on the day of execution by the Bank of the payment order to this effect – is free of charge.

¹ Calculation of the foreign currency exchange rate difference: depending on the direction of the order, the difference of the foreign currency mid-rate and the buy/sell rate quoted by CIB Bank. The 50% discount is deducted from the foreign currency exchange rate difference calculated as above. Depending on the direction of the order, the discount is added to the CIB foreign currency buy rate, and deducted from the CIB foreign currency sell rate. The Bank completes the Client's orders pertaining to transfers between the Client's own accounts requiring conversion, to be performed by applying a foreign currency exchange rate at the discounted exchange rate thus calculated.

² The following transaction is included in the extent of the discount: Cash withdrawal with VISA Inspire bank card abroad, from the ATMs of Intesa Sanpaolo Bank Group, free of charge.

³ In the first 3 whole calendar months after account opening, bank doesn't monitor the fulfilment of crediting criteria. For this period, monthly account management fee is HUF 0 for every CIB ECO Plus bank account. Charging of monthly account management fee will take place first in the 4th month after account opening.

⁴ If in the previous month at least net HUF 450,000 was credited via transfer on this bank account (cash deposit and transfer between Client's own accounts are excluded), even from more than one transaction, the Bank will not charge the monthly account management fee, it will be HUF 0 for current month. The fulfilment of crediting criteria is being monitored by the Bank on monthly basis. Releasing or charging of monthly account management fee will be controlled by this monitoring system.

⁵ The bank-switch fee is debited during the bank switching process regulated by Government Regulation 263/2016. (VIII. 31.), if the affected current account – regulated by this list of conditions – will be closed in the process. The bank-switch fee is a fee incurred in connection with the bank switching process when the Bank acts as the old payment service provider and it has to be paid in addition to the account closing fee in case of contracts signed on or after 01.01.2017.

⁶ Service is not yet available in CIB Bank mobile application, CIB Bank Online. After the launch of CIB Bank mobile application, CIB Bank Online the Bank will continuously introduce new services in the application and CIB Bank Online till 31 December 2019.
