CIB Bank is a member of the National Deposit Insurance Fund (NDIF), so its deposits are insured under the Act CCXXXVII of 2013 on Credit Institutions and Financial Enterprises

Termination of the bank account: In the event of termination of the Bank Account Agreement, the cash withdrawal, bank-to-bank transfer, intrabank transfer or book transfer between the Client's own accounts of an amount less than HUF 1,200 – or the equivalent in foreign currency determined based on the valid mid-rate quoted by the Bank on the day of execution by the Bank of the payment order to this effect – is free of charge.

1. Products: Telekom DOMINO prepaid card, vendor: Magyar Telekom Nyrt.; Praktikum DOMINO prepaid card, vendor: Telenor Magyarország Zrt.; Vodafone VitaMAX prepaid card, vendor: Vodafone Magyarország Zrt. The pay-as-you-go mobile phone top-up service is available via the CIB24, CIB Internet Bank, CIB Bank mobile application and CIB Bank Online services.
2. The Bank assumes no obligation to execute large cash withdrawals at a time that has not been agreed in advance.

Notice of withdrawals of large amounts of cash must be given to the Bank in advance, either verbally (by telephone, CIB24/in person) or in writing as follows:

Giving advance notice of the withdrawal of large sums of cash:

Deadline for giving notice		Daily amount of cash withdrawal		
		HUF	EUR, USD	Other
1 bank working day before the withdrawal	Monday-Thursday up to 15:00	1,000,000 – 10,000,000	1,000 – 5,000	Up to the equivalent of USD 5,000
2 bank working days before the withdrawal	Friday up to 14:00	Over 10,000,000	Over 5,000	Over the equivalent of USD 5,000

Giving advance notice of a cash withdrawal or cash deposit of more than 50 coins:

- Advance notice of cash withdrawals or cash deposit of up to HUF 500 000 must be given 2 working days before the withdrawal or deposit.
  - Notice of cash withdrawals or cash deposit of over HUF 500 000 must be given 3 working days before the withdrawal or deposit, by 15:00 from Monday to Thursday and by 14:00 on Friday, and a list of denominations must be provided.
3. In addition to the commissions related to foreign exchange transactions performed on the Client's bank account, the bank account of the Client or the Initiator of the foreign exchange transaction – as agreed by the Parties – will be charged with any incidental expenses related to the transactions performed (e.g. postal or DHL costs), and with the costs and commissions justifiably charged by the bank(s) involved in the execution of the transaction. (This also includes, in the case of outgoing FCY payments to destination countries that use the IBAN international bank account number format, the fee of approx. EUR 5-15, charged by the foreign bank if the beneficiary's account number was indicated incorrectly, or indicated in non-IBAN format, on the payment order.) In case of transfers outside the EEA, if the Client undertakes to pay all the costs associated with the transfer, he must ensure the availability of sufficient funds to cover such costs. The precise extent of such costs differs from bank to bank. The HUF equivalent of FCY transfer commissions and (e.g. SWIFT) costs are debited at the time of execution, and any justifiably charged cost and commission claims of banks, financial institutions or other institutions involved in the arrangement of the transaction (e.g. additional fees charged in respect of transfers that require manual processing by them) are debited as and when they arise. These costs can arise in both outbound and inbound foreign currency transfers and can therefore be debited. Transfer orders submitted on a transfer order form are accepted by CIB Bank only on a special foreign currency transfer order form.
  4. CIB Bank's sell/buy foreign exchange rate valid on the date of debiting the account is applied to calculate the amount of orders submitted in a currency different from that of the account debited.

5. In the case of foreign exchange transfer orders with a beneficiary who keeps their account with a financial service provider established outside the EEA, if the account holder doesn't agree to pay the foreign bank charges, the transferred amount could be credited to the bank account of the beneficiary reduced by any arising intermediary bank charges, which differ from bank to bank.
6. In the case of the Account Monitoring Service, the bank sends an SMS text message on transactions above HUF 500, while in the case of the Card Monitoring Service the bank sends an SMS text message on all transactions. Clients can modify this limit via CIB24, CIB Internet Bank or in a branch of the Bank. Monthly fees are first charged on the day that the service is requested, and on the corresponding day of every consecutive month thereafter.
7. The SMS fee is charged on the basis of the SMS text messages sent by the bank. The SMS fee is charged as an aggregated monthly fee, starting from the day on which the service is requested.
8. The CIB Unsecured Loans TECHNICAL Account, which serves for making repayments on the CIB Personal Loan and the CIB Debt Consolidation Loan, is a restricted-purpose payment account on which only Transactions specified in this List of Conditions may be executed, and in relation to which only the supplementary services specified in this List of Conditions may be requested. A CIB Unsecured Loans TECHNICAL Account may be opened in the case of an application for a CIB Debt Consolidation Loan, and, in the case of a CIB Personal Loan applied for by 3 November 2014, for the purpose of disbursement and repayment; indeed, in these cases, the opening of such an account is compulsory. The related account statements are made available by the Bank to the Client via the CIB Internet Bank. A Debit Card may not be requested to go with the CIB Unsecured Loans TECHNICAL Account.
9. The execution of cheque collection orders takes a minimum of 30 Bank Working Days from submission of the order by the Client. The Bank excludes its liability for any lengthening of this deadline due to the paying bank's procedure related to execution of the collection order. The deadlines applicable to execution should in every case be interpreted as being over and above the deadlines specified in this List of Conditions. The Bank is only able to provide the Client with advance information on the deadlines of third-party banks' procedures in respect of which it has information.
10. Besides the commission related to the given transaction, the Principal's bank account is debited with the costs and commissions lawfully charged by Magyar Posta Zrt. that arise in connection with the executed transaction, and which are debited at the time they arise. An exception is Magyar Posta's fee charged for each money order, which is debited from the forint account at the same time as the transfer, and the payment-order's postal production fee, which is charged to the forint account at the start of the month following the month of performance together with the account management fee.
11. Fee applicable in the case of an agreement concluded with regard to the sending or making available of the monthly statement via the Electronic Service, with the proviso that in every case the first paper-based monthly statement for the given month is free of charge.
12. The first paper bank statement for each month is always free of charge.
13. To go with any existing or newly requested CIB mortgage-backed loan, the Client may select, by 31 December 2019, the CIB 'Kártyázó' Minimum Account Package with ING FED account-management fee discount, provided that he/she has a CIB mortgage-backed loan at the bank as a debtor/co-debtor and the bank account serving as the place of disbursement of the loan/debiting of the repayments is the bank account, opened by the Client in his/her name, to which the discount applies. Monthly account-management fee for the CIB 'Kártyázó' Minimum Account Package with an ING FED account-management fee discount: 50% of the account-management fee for the CIB 'Kártyázó' Minimum Account Package; thus the monthly account-management fee for the CIB 'Kártyázó' Minimum Account Package with an ING FED discount is: HUF 971. If a CIB 'Kártyázó' Minimum Account Package is used with an ING FED account-management fee discount, in the case of at least 10 purchase transactions with a debit or credit card, as well as in the case of at least 20 purchase transactions with a debit or credit card, there is no fee reimbursement, and thus the monthly account-management fee is still HUF 971 in both cases. In the case of at least 30 purchase transactions with a debit or credit card, the extent of the free reimbursement is: 50%, meaning that the monthly account-management fee after the fee reimbursement is: HUF 485,5. The Client shall be entitled to the ING FED account-management fee

discount for as long as his/her CIB mortgage-backed loan agreement is in effect with the bank or he/she is specified in the Loan Agreement as a debtor/co-debtor, or the Client is the holder of the loan-repayment account to which this discount applies.

From the day following the termination of the loan agreement or the Client's debtor (co-debtor) legal relationship or of his/her legal relationship as holder of the loan-repayment account to which the discount applies, the ING FED account-management fee discount shall terminate, and the then-prevailing standard terms and conditions of the CIB 'Kártyázó' Minimum Account Package specified in this List of Conditions shall apply to the bank account. The Bank concludes a separate discount agreement with the customers with respect to the use of the discount. A condition for providing the discount is that an agreement on the use of the ING FED discount relating to the CIB 'Kártyázó' Minimum Account Package has been entered into. The discount may not be combined with any other discounts related to bank accounts.
