In addition to the commission payable on foreign currency transactions involving the Client's Bank Account, any out-of-pocket expenses (e.g. postal charges, DHL courier charges, etc.) related to the executed transactions, as well as any justified fees and commissions incurred due to the involvement of an intermediary bank or banks may – as chosen by the Parties – be charged either to the Client or to the Originator of the foreign currency transaction. (These include, in the case of outgoing foreign-currency payments to destination countries that use the IBAN international bank account number format, the fee charged by the foreign bank if the beneficiary's IBAN-format account number was indicated erroneously on, or omitted from, the payment order.) In case of transfers outside the EEA, if the Client agrees to pay all the fees and charges associated with the transfer, the Client must ensure that sufficient funds are available on the designated account to cover such costs. The precise amounts of the fees and charges differ from bank to bank. Upon fulfilment, the HUF value of the foreign currency transfer fees and costs (e.g. SWIFT), as well as any justified fees and commission incurred due to the involvement of an intermediary bank/banks, financial or other institutions (e.g. surcharge of manual processed transfers), are charged to the Client as and

- when they arise. These costs can arise in both outbound and inbound foreign currency transfers and can therefore be debited. Transfer orders submitted on a transfer order form are accepted by CIB Bank only on a special foreign currency transfer order form.
7. CIB Bank's sell/buy foreign exchange rate valid on the date of debiting the account is applied to calculate the amount of orders submitted in a currency different from that of the account debited.
 8. In the case of foreign exchange transfer orders with a beneficiary who keeps their account with a financial service provider established outside the EEA, if the account holder doesn't agree to pay the foreign bank charges, the transferred amount could be credited to the bank account of the beneficiary reduced by any arising intermediary bank charges, which differ from bank to bank.
 9. In case of the account monitoring service, the bank sends an SMS text message on transactions above HUF 500, in the case of the card monitoring service the bank sends an SMS text message on all transactions. Monthly fees are first charged on the day that the service is requested, and on the corresponding day of every consecutive month thereafter.
 10. The SMS fee is charged on the basis of the SMS text messages sent by the bank. The SMS fee is charged as an aggregated monthly fee, starting from the day on which the service is requested.
